and Nutra  
industry???

How to use  
CHEMATIC®???

## How safe is CHEMATIC® for manual cleaning ???

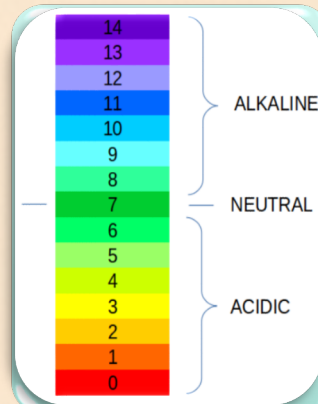

Chematic®  
detergent  
are  
designed for  
use in  
automated  
as well as  
manual  
cleaning

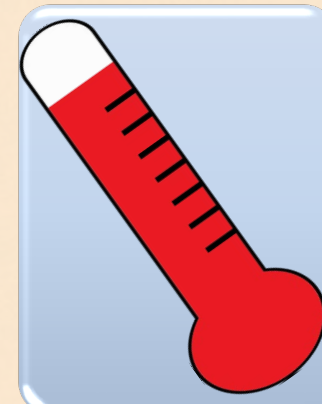

Chematic®  
detergents  
are non-  
corrosive  
and can be  
used with  
regular PPEs

Soaking in  
Chematic®  
detergent  
dislodges  
most of the  
residues,  
decreasing  
the need for  
manual  
scrubbing  
and contact  
with  
detergent

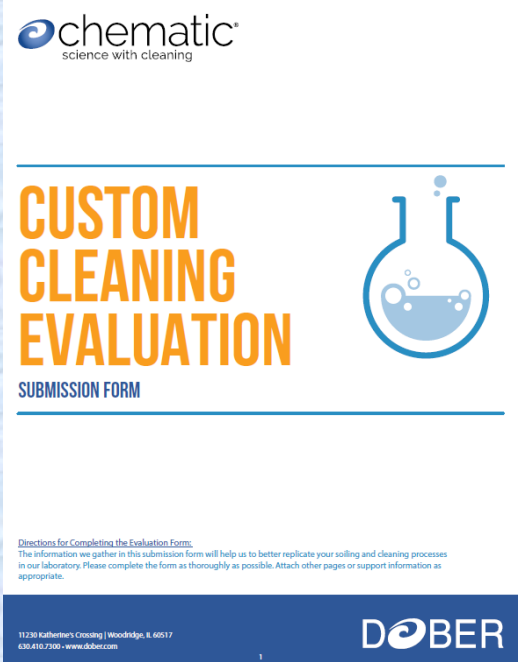

There are  
neutral pH  
detergent  
options  
available for  
manual  
cleaning

Chematic®  
detergent  
work at  
lower temp-  
eratures for  
manual  
cleaning

How to use  
CHEMATIC®??
